## WORK EXPERIENCE

### 2017 – Present | Pikes Peak Community College

#### Art and Graphic Design Coordinator

##### Responsibilities

- Design all collateral materials for the college marketing department to promote recruitment and retention for current and prospective students.
- Work with the PPCC Foundation to design invitation suites for fundraising events and collateral marketing materials.
- Design promotional materials for print, web, and social media that market internal programs, clubs, and organizations.
- Mentor and manage multimedia graphic design student work study employees.
- Maintain brand integrity for the entire college and all materials for print, web, and social media.
- Develop print specs (paper type, coatings, die-cuts, spot colors, and finishes) for all projects and working with the PPCC Copy Center and local vendors on production and budgets.

### 2020 – Present | Pikes Peak Community College

#### Adjunct Instructor | Multimedia Graphic Design Department

##### Responsibilities

- Teach Typography I (MGD 116) and Typography II (MGD 217) to introductory and advanced design students. Provide mentorship, feedback, classroom instruction, and outside tutoring.

### 2019 – Present | Ladyfingers Letterpress

#### Calligraphy Workshop Instructor

##### Responsibilities

- Teach all-day workshops several times a year focusing on dip pen and brush pen calligraphy.

### 2005 – Present | Noel Dolan Creative

#### Freelance Designer

##### Responsibilities

- Work with a variety of local businesses and individuals to meet their design needs.
- Clients include: Sakura of America, Care & Share of Colorado Springs, Mackenzie & West, Springs Ensemble Theatre, and El Paso County Democrats.
- Commissioned by the City of Colorado Springs Stormwater Drain Project to paint a sidewalk mural in downtown Colorado Springs to promote clean stormwater awareness.

### 2005 – 2017 | National Strength and Conditioning Association (NSCA)

#### Art Director

##### Responsibilities

- Design all collateral materials for print, web, and social media to promote the Association, membership, certification, and events.
- Manage a staff of two designers, which included project management, developing a production schedule for each task, reviewing and approving work, and mentoring their professional growth.
- Develop and maintain the Association's brand internally and externally.
- Responsible for all print production, print buying, and coordinating mailing services for print and direct mail projects, utilizing local vendors.
